Introduction

INSIDER
LONDON

London is a global hub of art, politics, commerce and finance but perhaps, above all, innovation. This is why Insider London seeks to delve beneath the surface of the capital's success with in-depth visits to the city's most innovative businesses.

We meet the talented individuals behind the brands to discover the unique story of unique companies – past, present and future. With engaging presentations tailored to the specific academic and professional interests and requirements of the group, this is a great opportunity for both academic and corporate groups.

Inspire your groups with real-life success stories and hands-on experience with innovative technology.

Freshen up your board room meeting with a research trip to an innovative hub and take your business to a new level with some great new ideas and insight.

We specialise in innovation from a wide variety of sources. From AI to blockchain, finance to fintech, hospitality to architecture, we meet the star players across a wealth of sectors.

We have extensive partnerships with some of the world's leading global corporates as well as London's rising stars who keep the established brands on their toes.
